

Tulpi-Bench

Tulpi[®]-Bench

The Tulpi[®]-Bench gives you the illusion that you are free of the ground. A feeling of sitting on a porch that can move at any moment. Robust and strong, yet graceful. The colours of the seating area are bright and striking. Sit down and enjoy together.

The Tulpi-Bench is made of aluminium castings, painted in hammered silver. The seat is made of oak beams, painted in the desired RAL colour. Available as standard in Signal Red and sizes 1.6, 1.8 and 2 meters.
